1 of 1 review helpful Engaging premise By Jake but maybe written for juveniles The dialogue is oftentimes silly and unrealistic The characters motivations are believable but the characters themselves seem thin and undeveloped The action scenes are engaging but I always feel like I am visualizing cartoon characters and settings in my mind Nevertheless it was a fun story with a solid premise and denouement Christopher Lewis is a boy with potential potential for great good and for great evil And no one knows that better than Kaym an angel lord with incredible power hell bent on storming the gates of Heaven With an army of demons devils and dark princes at his side Kaym needs just one more thing to begin his crusade the immortal powers hidden within Christopher But watching over Christopher is his guardian angel Mariel Armed with her flaming sword a marvel About the Author Theodore Beale is a writer and game designer Excerpt copy Reprinted by permission All rights reserved Chapter 1 A Rat in Shadow Whereby they lie in wait to deceive Ephesians 4
