beginning with a b c d e f g h i j k l m n o p q r s t u v complete order of tracie peterson books in publication order and chronological order Distant Dreams (Ribbons of Steel):

0 of 0 review helpful A page turner By Lanell Mueller No matter how critical others have been I enjoyed every page even if I didn't understand the talk of engines and boilers This is a very good book describing the customs of the early 19th century with all its traditions and constraints on young women of the time The touch of romance between the young people and all that was expected of during courtship was so different The year is 1835 and Carolina Adams finds herself enchanted by an unlikely suitor the railroad Frustrated by society's expectations upon her gender she longs to study more masculine subjects and is thrilled when her father grants her a tutor James Baldwin arrives to serve as Carolina's teacher but of more importance he is to court Carolina's beautiful older sister Virginia Will expectations and Virginia's southern charm elicit the hoped-for proposal Or will James From School Library Journal YA Andrew Jackson's presidency and accompanying intrigue form the historical setting for this novel An almost consuming curiosity about things mechanical and especially the new railroad creates frequent conflicts for 15 year old
