4 of 4 review helpful Full of hope and warmth By Cindi I wasn't sure what to think when I picked up this book since I hadn't read the cover blurb. What a pleasant surprise although it really shouldn't have been because this author wrote *A Miracle in Dry Season* which was fantastic as well. There were so many things that I loved about this story. The writing kept me glued to the pages and the characters realistic. *Take This Journey of Broken Souls Restored and Tentative Hearts Brought Fully to Life* When family tragedy derails Henry Phillips's college studies, he's left unmoored and feeling abandoned. The only things that can tamp down his grief are the family farm, his fiddle, and an unexpected friendship with sweet but unusual preteen Mayfair Hoffman. Unfortunately, Mayfair's older sister Margaret, despite her spray of freckles and cute turned-up nose, Aunt Sarah writes good books. Olivia Loudin, age 5. From the Back Cover: *Take This Journey of Broken Souls Restored and Tentative Hearts Brought Fully to Life* When family tragedy derails Henry Phillips's college studies.
