0 of 0 review helpful I was wrong By Coffeebrewer You absolutely must start with the first book in the series Black to understand what is going on When I started reading the series I thought it was kind of dumb but as I continued and

understood the symbolism and metaphors I couldn't put it down. It doesn't have the depth of the Circle of Life series, non-Christian, but it is entertaining. 0 of 0 review helpful. New 5th Anniversary Editions include Bonus Graphic Novels. Time Is Running Out In Two Realities. In one world, a lethal virus threatens to destroy all life as scientists and governments scramble to find an antidote. In the other, a forbidden love could forever destroy the ragtag resistance known as The Circle. Thomas can bridge both worlds, but he is quickly realizing that he may not be able to save either. In this min. About the Author: Ted Dekker is the New York Times best-selling author of more than 25 novels. He is known for stories that combine adrenaline-laced plots with incredible confrontations between good and evil. He lives in Texas with his wife and
