10 of 10 review helpful Another gem from a popular author By Lynne NZ Grace Livingston Hill is one of my favourite authors I really enjoyed this story particularly because of the way lives were changed when they found out about God and the sweet romance that developed so gently I liked that they left the garish mansion and went back to live in their old home that was full of memories of a cherished wife and mother 1989 mass market paperback reprint edition of a title first published in 1933 Tyndale House Wheaton IL 238 pages First class romance by a respected author
