1 of 1 review helpful Human trafficking not your usual story By chb book addict This was one of the more dramatic and action filled books by Ms Hill Rachel Rainsford is being escorted to a position as a companion to an elderly lady she has never met by the man who hired her What she doesn't know is that she is a victim of human trafficking Fortunately Chan Prescott is a passenger on the same train and while he admires Rachel and a handsome stranger become the prey in a desperate chase that will test their faith and courage and lead them into love Grace Livingston Hill is the beloved author of more than 100 books Read and enjoyed by millions her wholesome stories contain adventure romance and the heartwarming triumphs of people faced with the problems of life and love I think 'The White Flower' is a suspenseful thriller and a wonderful romance that will keep you flipping pages as fast as you can read them to find out what happens next Ms Hill knows how to tell a great story and this may be her best
