(Grace Livingston Hill #24):

2 of 2 review helpful Poor Editing and Character Development By Julia Woodman I love GLH books for their sweet simple stories This book suffers from a couple of major problems First the editing is still terrible The publisher said to an earlier reviewer that the typos had been corrected but it is still full of mistakes Link heart Lute say in an uneasy undertone instead of heard A charac On a country estate young McRae finds the strength and courage to break through tradition and claim the man she loves Grace Livingston Hill is the beloved author of more than 100 books Read and enjoyed by millions her wholesome stories contain adventure romance and the heartwarming triumphs of people faced with the problems of life and love
