Bug Series #2):

1 of 1 review helpful More depth than Left Behind but frustrating romance angle By TOMMY C ELLIS Jeffrey s book is primarily an apocalyptic thriller and on that score earns a 4 The action and plot are fast paced much like the Left Behind series However the author s characters have much more depth Michael and Devorah prove to be compassionate intelligent and interesting protagonists The love tension creates add In this thrilling sequel to Flee the Darkness the Y2K crisis has passed but Daniel Prentice is faced with an even greater crisis as the ancient prophecies foretold in the book of Ezekial begin to unfold The forces of evil have never been stronger nor the world s destruction nearer than in By Dawn s Early Light About the Author Grant Jeffrey is internationally recognized as a leading researcher and Bible prophecy teacher He has earned degrees from the University of Toronto and Louisiana Baptist University His seven best selling books have been read by millions inte
