1 of 1 review helpful AWESOME By Frank Luciano This book lets you into the head of Satan and shows the true love of a Child and how adults dont see people the way a child does and the way we all should that every one is equal and we shouldnt just judge them for what they have dont but help them become better And Mr Davis is a great person I had the opportunity of meeting him In Albuquerque This is a great book great for After long hours of hard work and sleepless nights Satan has the world by the tail and things are looking good Until an eight year old girl comes up with the idea that praying for the Devil rsquo s salvation will rid the world of evil Of course everything goes to hell from there While the Devil attempts to shut this little brat kid up her sincere compassion for his welfare begins to take its toll on his emotions In the end Satan faces a serious problem Lose Fabulous A stunned reader I just want to know when the sequel is coming out A bookstore associate I simply could not put it down A waitress The best book I have ever read A dentist
