**By William Woodall : Truesilver (The Last Werewolf Hunter) (Volume 4)** Truesilver (The Last Werewolf Hunter) (Volume 4):

6 of 6 review helpful Typical Woodall And That s a Good Thing Series is Better Read in Order Though By J hn P Strike 1 I don t do werewolves vampires etc unless there is something pretty different about them Strike 2 I especially avoid series of such books Luckily I discovered the author through a book that was not one of the avoided categories and from there I set aside my usual ways and gave his other e g The werewolf curse is finally abolished and Zach looks forward to a quiet summer of baseball and good times Of course there s still the matter of those two thousand ex wolves to wake up but that s no big deal Or is it When a family of wicked sorcerers is accidentally awakened Zach and the others quickly discover that not all the evil people in the world are cursed ones and they find their very lives are at stake unless these people can be recaptured Only this
