7 of 7 review helpful Updated Fairy Tale with Good Moral Value By KnowagreatbookwhenIseeone At my daughter s request I am reading Black as Night A Fairy Tale Retold This is a great book for young teenagers as it follows the story of Snow White and the Seven Dwarves The outline of the story is a familiar one for most kids and they will like that the author grabs your attention at the beginning and holds it throughout Over the summer in New York City seven friars who work with the homeless find a runaway girl named Nora while Bear Denniston searches for his missing girlfriend Blanche in a suspenseful retelling of the Snow White story
