1 of 1 review helpful Good Story total cliffhanger By Customer I loved the first book so much that I could not wait to get my hands on this one While I am happy to have read more from this author and in this series I have to say I am rather disappointed His first book had a lot thought put into each character chapter and twist in the plot You were able to lose yourself in that story as if you were there This one whil Alex Donovan survived battle against insurgents in Afghanistan and again in Zurich against a fallen angel Now he must fight for his soul drawn into a war that has waged across the centuries between angels and demons for control of a legendary relic more valuable than the Shroud of Turin Gaspar de Rouse a mere man with the gift ndash or curse ndash of immortality is the latest in a long line of devoted guardians who have protected the secret for two thousand y About the Author Vernon Baker is the author of the com Best Seller Slow Boat to Purgatory The Arimathean is his second novel Vernon lives on the coast of Maine with his family Keep track of or contact Vernon at www.vernonjbaker.com on Twitter VernonJBake
