By Rod Bennett : The Christus Experiment plattform der lutherischen kirchengemeinden und einrichtungen in nordhorn menu bijbel of new age het verhaal van findhorn onze spreker is vandaag bob van dijk die vanuit eigen ervaring iets zal The Christus Experiment:

4 of 4 review helpful Evokes Michael Crichton By Vorpil It is hard to say more than that about the plot without adding a spoiler tag so let me say that this novel is a fast paced though provoking imaginative exposition on the implications of time travel and God s sovereignty The writing and plot pacing reminds me of the tight writing and plausibility evoked in Michael Crichton s Timeline Nice to see an author is w He rsquo s been divinized demonized demythologized and decoded He rsquo s been spoken for and spoken against the best loved least understood most controversial figure in human history All of which makes Jesus of Nazareth the single most tempting target for haunted Georgia billionaire Anson MacDonald and his pricy team of time traveling scientists and historians What if you could capture Christ mdash bring him to our own time make him sit for modern questio
