0 of 0 review helpful wonderful book hard to put down By Dottiej One of Kingsbury s best stories Often people can predict what will happen I didn t know in this one I m happy there s one more book in this series because it continues the story with the same characters I m not ready for this story to end It s nice to read clean books from Karen without bad language or filth in the story Very well written Karen Had they found each other again after all these years only to lose everything that matters most As children Jade Conner and Tanner Eastman were best friends mdash until scandal drove them apart Then one golden summer they find each other again nbsp Through endless days they share their hearts and souls and dreams of forever nbsp Then in a moment of weakness they make a decision that will tear them apart for nearly a decade From Library Journal Jade Connor and Tanner Eastman were best friends until a family tragedy tore them apart Almost ten years later they find each other again and their innocent childhood feelings blossom into a love that is soon crushed by his mother s lies
