0 of 0 review helpful Watch and Pray By Eric Wilson Claudia Mair Burney has carved out her own niche writing honest urban spiritual and always entertaining novels that defy categorization I loved the first in this series The Exorsistah Emme Vaughn was a great character with flaws and strengths not to mention a kickin pair of Prada boots This second installment never quite entertains the way the first God finally gave X what she asked for If only he would teach her how to use it After three years and more creepy demons than she d care to recall Emme Vaughn has finally found her mama Only the reunion doesn t go as X expected It s not easy adapting to a new life in New Orleans with a mother who was possessed by the devil until recently and a stepfather she didn t know existed Especially when a mysterious stranger her stepfather s charming and handsome proteg About the Author Claudia Mair Burney is the author of the Amanda Bell Brown mystery series and nbsp the young adult Exorsistah books She lives in Kentucky with her husband five of their seven children and a rabbit Visit her blog at RagamuffinDiva blog
