0 of 0 review helpful Beautiful Book Loved It By Voracious Reader This is an fascinating light hearted read set in Texas after the Civil War Although Kate Wellington has had a life of hard knocks she has a make the best of things attitude a big heart and a spirit that refuses to be broken Her newest set of problems may be the worst ever Stupidly she started seeing a smooth talking criminal who hid his bad side H Joshua Neville is a quiet even ndash keeled rancher who was just minding his own business when he witnessed a brazen bank robbery in San Antonio Texas that leaves three men dead Even more shocking than the heist itself is that the ringleader looked like a woman Weeks later when Josh is on the trail a lost and confused woman stumbles upon his campsite He agrees to take Dinah to Mexico but soon their journey is hampered by harsh weather and wild animals About the Author A prolific writer Loree Lough has more than seventy books sixty short stories and 2 500 articles in print Her stories have earned dozens of industry and Reader s Choice awards A frequent guest speaker for writers organizations book clubs
