End of Days:

1 of 1 review helpful Great Novel Must Read By Snoqvalley I really enjoyed this one of a kind epic I commend the author for great character development not least of which being the inclusion of a loving interracial couple The protagonist is greatly portrayed I really connect with Tom until well buy it and see Thanks Simon 0 of 1 review helpful Start at page 300 By A mysterious green gas released upon the world causes the earth s entire plant life to slowly wilt over and die Oxygen levels drop to dangerously low readings bringing forth the birth of strange new technologies and surgical procedures to combat against the effects of the poison air Flash forward ten years to the story of a group of survivors as they struggle to find salvation in the desolate world With oxygen now completely non-existent in the air their existenc A great mixture of science fiction horror and ecological questioning make for a great debut novel lovreading co uk September 2009A science fiction adventure of laudable scope and energy TheBookBag co uk October 2009This gripping s
