## Door Trilogy):

1 of 1 review helpful Repeat say whaaaaaaat By MESfairy So this is a good series and a good conclusion SLIGHT SPOILERS Dante has been a weak sauce male character throughout the series but this book oh my heck He get s captured every other chapter i SWEAR And if he is NOT captured he IS mortally wounded The plot keeps repeating itself over and over Dante is a weak male and Abby has to come sav The final book in the riveting Hourglass Door trilogy begins when Abby steps through the black door and she doesn t dare look back Though it means leaving Dante wounded bleeding and possibly blind she knows it is the only way to save her family and stop Zo from manipulating the river of time and throwing the future in chaos Abby must face a final confrontation that will take her to the very origins of the hourglass door I never imagined the adventure I d find when I opened The Hourglass Door Abby and Dante s world is intoxicating and I didn t want to leave Mangum s book flowed smoothly and effortlessly and led me through a tale I ll not soon forget teensreadtoo com
