From Fairleigh Dickinson University Press : The Ring and the Cross: Christianity and the Lord of the Rings from a general summary to chapter summaries to explanations of famous quotes the sparknotes the fellowship of the ring study guide has everything you need to ace the lord of the rings symbolism the first instalment of tolkiens the lord of the rings was released on dvd and video this week in britain the first instalment of The Ring and the Cross:

Christianity and the Lord of the Rings:

1 of 1 review helpful If you want to explore new ideas a great book of discovery By Lana Morris Insightful If you're looking for a mindless read this is not the book for you If you want to explore new ideas a great book of discovery The conversation sometimes heated about the influence of Christianity on the writings of J R R Tolkien has a long history What has been lacking is a forum for a civilized discussion about the topic as well as a chronological overview of the major arguments and themes that have engaged scholars about the impact of Christianity on Tolkien's oeuvre with particular reference to The Lord of the Rings The Ring and the Cross addresses these two needs through As a contribution to a much if not the much polemical area of Tolkien studies The Ring and the Cross is commendable not only for looking at both sides but also for reflecting those many shades in between where most opinions fall The coll
