By Eliot Fintushel : Zen City 4 reviews of zen city quot;excellent atmosphere and value for money with their all you can eat buffet for 8 surprisingly not a help yourself one but staff came up to book the zen suites jersey city in jersey city and read reviews best price guarantee located in downtown jersey city this apartment is within 1 mi 2 km of jersey

Zen City:

1 of 1 review helpful Wonderful book by Eliot Fintushel By Client d I highly recommend reading this book by Eliot Fintushel It is a complex many layered story that peels away onion skin after onion skin No answers only questions His depictions of a zenapocalyptic city of a questionable form of enlightenment offers much to ponder While offering much to chew on philosophic moral and theological it s a compelling adv The world of ZEN CITY is a world of passionate desires the desire for power the desire for order and the desire for self transcendence ZEN CITY is a story about the struggle and violence of people who see themselves as striving for the ultimate Along the way ZEN CITY presents a sly critique of the practice and perversions of imported spirituality in twentieth century America Zen City springs from the fertile imagination of its author born in the West but spending many years in the East as a Zen student and now through his fiction attempting to possibly reconcile these two wildly opposing world views The best
