12 of 12 review helpful Great trip down memory lane By English Teacher Ah a trip back to the late 70s to teenage summer and weekend nights filled reading stacks of Barbara Cartland books by flashlight until dawn The author wrote 900 plus short novels mostly historical that perfectly captured the classic spunky young woman working her wits against the older often jaded 30 something rich titled man until he succumbs t When the Balkan Prince Stanislaus demanded an English bride Queen Victoria decided to send him Lady Lavina whose family had a slight connection with royalty Determined to avoid this fate Lavina threw herself on the mercy of the Marquis of Elswick a disagreeable man who had turned his back on the world following betrayal by the woman he had loved Surprisingly he agreed to help by pretending to be engaged to Lavina and with her father they left to visit her rela Cartland s well crafted little gems of traditional Regency romance traditional values and traditional young ladies promise pleasant reading RT Book s praise for the author About the Author Barbara Cartlan
