1 of 1 review helpful A Mystical Gnostic Take on the New Testament By Douglas I just finished this book so my thoughts on it will probably develop over time In this review I just want to share that Duncan has done a great job of bringing the gospels to life as one might experience them The text of the book alternates between a vision of the life of Jesus here referred to as Joshua and the experiences and views of a What you have been taught lover of the sublime is a lie that made you live a lie In the 21st century a scalpel slices bible pages passages spliced to restore lost truth In the days of King Herod the messias rises calling to black sheep walk with me Now here between two aeons and across AElig ternity a beloved student rebuilds his Gospel for the era of Anonymous anarchist socialist atheist revolutionary Forget the tale you were spun and open your ears
