1 of 2 review helpful POOR BINDING By TODD We didn't have the book more than an hour when it began to fall apart. Just opening and shutting the book made the pages fall out. That was very frustrating since we had just received it. I could almost understand if we had read it at least a couple of times. The glue in the spine may have been old. I don't know. It did not look like it was in bad condition; it just fell apart. Calvin and Hobbes meets The Chronicles of Narnia in this fun-filled action adventure for the whole family. Follow Joey Price on the adventure of a lifetime through the Stuffed Animal Kingdom, this critically acclaimed all-ages smash hit. When Joey's worst fears, The Beasties, come crawling out of his closet in the middle of the night, he finds out his new stuffed animals, The Night Pride, are more real and more needed than he ever could have imagined.
