By Lyda Morehouse : Resurrection Code (Angelink Universe) Resurrection Code (Angelink Universe):

North Africa is in ruins after the Aswan dams collapse and a massive flood reclaims the Nile valley The privileged and

the sane have long since abandoned Egypt to the scavengers and the dregs of society Christian El Aref is a street rat living hand to mouth His life is going nowhere fast Then he stumbles over a dead body carrying revolutionary shareware tech Now he s being hunted And if he s not careful the next dead body may be his own This action packed cyberp
