1 of 1 review helpful All in all an enjoyable read By Judith Tulloch I ve read a few of the book in the Love Finds You In Series and really enjoyed them I really liked this one as far as the part of what led Sunny to Pendleton Oregon and why she was really there That aspect of the story I really enjoyed What I would have really liked to have seen was the romance between Sunny and Cody developed a lot more Native American beauty Sunny Westcott is not one to let her hair down But her friend Aubrey manages to drag her to Pendleton Oregon and the pair arrives just as the hundredth annual Pendleton Round Up begins Sunny is surprised by how much she enjoys watching the rodeo riding horseback and getting to know Aubrey rsquo s family mdash particularly a handsome cowboy named Cody Pendleton is also home to the Umatilla reservation where Sunny rsquo s ancestors once lived About the Author Melody Carlson is the best selling author of more than 150 books for readers of all ages from adult women to teens to children She and her husband Chris make their home in Sisters Oregon They have two grown sons and a granddaughter Read m
