1 of 1 review helpful Sweet romanace By Bozclan I really liked thils book and would re read it It was sweet but not overly so There were Christian elemements and no sex but for me personally that is a good thing Too many romance novels get very graphic and leave nothing to the imagination That is some readers tastes and that is fine but not mine If you are looking for a sweet Christian romance this The Witness Protection Program was supposed to keep Jade Summers s sister safe So why is U S Marshal Micah McGraw saying her twin is dead Jade doesn t get the chance to ask because their meeting is interrupted by Rudy s killers The mob is after Jade but neither Micah nor Jade know why Somehow it s connected to a decades old crime Finding the truth could be disastrous but lives depend on it Several women are in danger and Jade is the first one in the killer
